"Father Kapaun's story is one of the great war stories of all time, combining courage under fire, faith, and tremendous sacrifice and endurance.

John Stansifer was born to tell it."

—Jim DeFelice, co-author of *American Sniper*

NO BULLET GOT ME YET

**The Relentless Faith of Father Kapaun
BY JOHN STANSIFER**

The incredible story of the most decorated chaplain in US military history and his path to Sainthood in the Roman Catholic Church.

Father Emil Kapaun, a humble priest, went far beyond the call of duty during World War II and the Korean War. Often found with the combat medics on the front lines, unarmed, ministering to the wounded, and known for his intense devotion to the soldiers who he called "my boys," Kapaun became the most decorated chaplain in US military history, awarded a Medal of Honor, the Distinguished Service Cross, and the Legion of Merit.

But Father Kapaun's leadership, bravery, and selflessness doesn't end there. When the story of human history is over, evil, death, darkness: they don't get the final word. It was his love for God that gave Father Kapaun the courage to lay down his life for his friends and for his country.

Writer John Stansifer has spent years interviewing veterans and ex-POWs. Coupled with other interviews or self-published war experiences, as well as material from the National Archives and rare access to thousands of unseen documents, *No Bullet Got Me Yet* unveils the compelling history of the life of Father Kapaun as related by his friends, family, and fellow soldiers, as well as in his own words from the numerous letters he wrote from the 1930s all the way to the battlefields of the Korean War.

Recently announced, Trimax Media, the production company led by Alan Glazer, producer of *The Bank Job*, has [acquired film rights to *No Bullet Got Me Yet*](#). The film adaptation, titled *Father Kapaun's Valley*, will be directed by Stephen Campanelli of *Drinkwater*.
