### DO YOU HAVE PHOTOS OR VIDEO FOOTAGE FOR WORLD COMMUNICATIONS DAY 2021?

The Australian Catholic Media Council, an advisory body to the Australian Catholic Bishops Conference, has proposed the development of a campaign drawing on the theme for World Communications Day 2021: Come and See, to be held 9 May 2021 in Australia.

The Media Council is asking if you have high-quality photo and/or video content that has already been shot, that could be used for the Come and See campaign, which will show “the Church in action,” eg: Catholic education; hospitals; aged care; social services; ministry with Aboriginal and Torres Strait Islander Catholics; and parish and community engagement. The compilation and editing work will be overseen by the Bishops Conference’s Media and Communications Department. Please read more about the campaign and [instructions on how to share photo or video content](#). If you can assist, please do so no later than Friday, 16 April 2021.

### CONVOCATIONS OF CATHOLICS

The Australasian Catholic Coalition for Church Reform (ACCCR) is organising a series of three Convocations of Catholics, promoting Church renewal in the context of the Plenary Council and the signs of the times in Australia.

The first will be on Sunday, 2 May 2021 with Joan Chittister OSB, by Zoom. CRA will circulate information about the Convocation with Joan Chittister when registrations are open. In the meantime, please see the [ARCCCR appeal for sponsorship support](#) and [Convocation Information](#).
