

THE PROFESSOR DENIS EDWARDS MEMORIAL FUND IN ECO-THEOLOGY

The proposed fund will carry on the work of the late Monsignor Denis Edwards OAM, who was one of the world's most celebrated eco-theologians. The Fund will enable high-quality research, learning and teaching in the areas of theology, science and ecology in the Faculty of Theology and Philosophy at the Australian Catholic University (ACU). It will make a lasting contribution to the future of the Earth through enabling an informed discourse on the theological and spiritual relationships with our common home.

Please consider making a contribution to the start-up fund of \$700,000 to enable Denis' vital work to continue. The Fund will support research and educational opportunities for the first five years, after which ACU will provide funding in perpetuity.
