

**DICASTERY  
FOR INSTITUTES OF CONSECRATED LIFE  
AND SOCIETIES OF APOSTOLIC LIFE**

**PRESS RELEASE**

Vatican City, 26 May 2023

The new website of the Dicastery for Institutes of Consecrated Life and Societies of Apostolic Life ([www.vitaconsacrata.va](http://www.vitaconsacrata.va)) is now *online*. The portal, in its completely revamped version, aims to be an agile communication and information tool for all, especially for consecrated men and women.

The website collects news, activities, documents and publications of the Dicastery. In addition to reference materials and forms, it also contains some of the Dicastery's publications in different languages, starting with the letters to consecrated men and women presented during the Year of Consecrated Life. The search engine on the *home page* provides quick access to all the information.

The portal is also meant to be a sign of closeness and sharing through which the Dicastery intends to accept the invitation of the Holy Father Francis: «I dream of an ecclesial communication that knows how to let itself be guided by the Holy Spirit, gentle and at the same time, prophetic, that knows how to find new ways and means for the wonderful proclamation it is called to deliver in the third millennium» (FRANCIS, *Message for the 57<sup>th</sup> World Day of Social Communications 2023*).
