**A Spirituality for Our Time of Transition**

**Facilitator Frank O'Loughlin**

**Cost 730+GST**

Beginning with our current situation of transition into a new age of the Church. Consequent to this to look at the meaning of Christian conversion as 'going beyond where we are'. And then to look at ourselves in the light of Jesus 'original disciples.

The meaning of Christ's death and resurrection as that which shapes Christian identity.

And following this to look towards our continuing fidelity: "to the teaching of the apostles, the fellowship, the breaking of the bread and to the prayers" (Acts 2.42)
