Seville Mercy Conference Centre

A unique facility operated by the Sisters of Mercy, in a tropical setting. Seville is nestled into the foothills of Cairns with a charm that is warm, personal, and relaxing. The Sisters of Mercy have cherished a spirit of hospitality from their origins. Together with their colleagues, they continue offering this gift by providing a warm and welcoming presence at Seville while aspiring to live and breathe the message of Laudato Si'.

"The entire material universe speaks of God's love and boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God." Pope Francis (Laudato Si')
